

Minutes Eagle Creek Association Board

4/11/2017

Present: Tim, Mark, Mike

Tim went over the financials, the board accepted as presented.

Brian helped collect the outstanding dues. There is one outstanding dues owed.

It was pointed out the link for information from city services needed to be repaired on the association website.

Tim still has it on his agenda to talk to the website folks about a different format.

Mike has been maintaining mailboxes as needed. It was decided that most residents are capable of replacing their own mailboxes, and the association would continue to provide the mailboxes and numbers, and could assist installation if need be.

Having no other business, the meeting was adjourned.

Respectfully submitted,
Mike Avila
