

Minutes Eagle Creek Association Board Meeting August 15, 2017

Present: Tim, Mark, Mike, Brian

- Tim presented the financials, they were accepted as presented.
- There was an in ground pool that was installed without architectural approval. This will be investigated. Location 12310 Sanctuary Trail.
- Mike met with Justin (Landscape Maintenance) to give prices on cutting back brush on east sidewalk area of Lake A
- There were two erosion areas on drainage catch basins in the west side of the addition and Landscape Maintenance repaired both.
- Brian has been looking into new entrance markers at both entrances. The ball park amount is \$20,000. This is in the very preliminary stages and will be further explored.

There being no further business, the meeting was adjourned.

Respectfully submitted,

Mike Avila

There was no business to conduct for September 2017 so no meeting was held. Communication was by email and the board was unanimous on not holding a meeting.
