

Minutes Eagle Creek Board Meeting 7/10/2017

Present: Tim, Mark and Mike

- Tim presented the finances, and a copy was filed. All dues for the year are paid. All finances were in order and accepted as presented.
- Tim spoke of the cost to revamp the web site. It would be easier to use and would not cost us to have data and images uploaded. He suggested it be put on the agenda for August.
- There was a resident who installed a pool that was not allowed per covenants, therefore they had to adjust the height and remove the filter to be in compliance. Those steps were taken.
- Sam Silver rebuilt the mailboxes on Eagle Creek Place and Eagle Creek Drive.
- There is several areas of erosion at different drainage points around the storm drains. There are two behind Lot 120. There is two on Lake C. There is also a need to cut back the brush along the east side of Lake A. Mike will get quotes for all of these points.

There being no other business, the meeting was adjourned.

Respectfully submitted,

Mike Avila
