

Eagle Creek Association Board Meeting Minutes 9/25/2019

Present: Tim E, Mike A, Fred B, Pat H

Tim presented the finance report, all bills are up to date. All dues are paid. The report was accepted as presented.

There has been quite a few homes turnover to new residents, so Pat has taken on the position to greet the new residents and give them an introductory packet to the association (nine so far!). Pat has also taken on the position of organizing the garage sales for the association. Thank you Pat for taking on those positions.

There was a sign destroyed at Eagle Nest Court and Eagle Creek Drive, and with some investigation the person responsible was identified and their automotive insurance paid for the new signs. The pole was replaced by the city.

There were a couple of architectural requests submitted and they were found to be in compliance and approved.

Tim would like the vegetation around the bridge on Pond A looked at and possible treatment to reduce the fungus.

There being no other business, the meeting was adjourned.

Respectfully submitted,

Mike Avila
